

BALMEET SINGH CHADHA

ABOUT

Highly motivated and dedicated Computer Science Engineering student with a good academic background. Proficient in programming languages such as Java, C, and Python. Skilled in innovative coding and analytical thinking, with a keen interest in space exploration knowledge and AI technologies. Seeking to apply my skills and knowledge in a challenging and dynamic environment , with more knowledgeable ones .

QUALIFICATIONS

- Schooling (10 + 2) | Maheshwari Public School (MPS) , Jawahar Nagar , Jaipur | 2011 - 2023
- Bachelor of Technology (B.Tech) | C.S AI/ML | IILM UNIVERSITY | Aug 2023 – Present

INTERNSHIPS

- AI & ML Edunet Foundations Associated with AICTE & IBM : In This internship I have learned about AI/ML techniques to be implemented in employee salary prediction with python .
- Infosys Virtual with AI & ML : In This internship I have learned about python techniques to be implemented in Automated Podcast Transcription, so that user can convert audio to text .

CERTIFICATIONS

- C ,Python , JAVA Infosys
- Hitbull with 60 percent
- AI/ML IBM

PROJECTS

1. Project Name : Deep Fake Detection
 - Tools / Technologies : CT.Scan , Django , Tensorflow , Python
 - Description : In this project, Users can detect which photo is real or fake . Best used in detection of spam AI creation. Coded in Python , used AI algorithm and can be extended in cyber security field.
2. Project Name : Resume Checker & Builder
 - Tools / Technologies : Django , Matplotlib , Python
 - Description: In this project , Users can prepare there resume using AI/ML by filling the required ATS details . Coded in python , used AI algorithm and can be extended to check ATS score .
3. Project Name : Automated Podcast Transcription
 - Tools / Technologies : Whisper , PyTorch , Python
 - Description : In this project , Users can convert there audio into text . Coded in python , used AI algorithm and can be extended as a tool for summarization .

COMPETITION

- Debate Competition 2023,2025 at IILM University
- Ignite Tech-Fest 2024 at IILM University
- TEDx Cricket Quiz at IILM University
- Hackathon 2024 at IILM University

SKILLS

- Computer Skills : MS Office, MS Excel, MS Word, Python , C , Python , Java
- Soft Skills : Organizing , Leadership , Quick learner , Communication , Creativity

ACHIEVEMENTS

- Model Presentation in IGNITE 2025
- Poster Presentation on AI/ML 2024
- Member of Techspark club , DOC team , SCOP at IILM University

HOBBIES

- Sports and Exercise
- Listening Music
